

Insurance Companies

Consumers are demanding protection against America's fastest growing crime... identity theft

Supply the solution to your policyholders— ID Theft Resolution Services

ID theft is America's fastest growing crime. Beyond the financial and emotional damage, the largest burden to victims of ID theft is the enormous amount of time required to recover. Today most victims spend hundreds of hours over several years trying to clean up personal and financial records and recoup fees and fines. If the proper steps aren't taken the negative effects of ID theft can linger in a victim's life forever. Consumers are afraid and they want protection.

OFFER YOUR POLICYHOLDERS PROTECTION

Offer your policyholders and insureds ID Theft Resolution Services from Worldwide Assistance. This comprehensive* program is designed to help victims quickly and easily recover from ID theft. "Real Time" access to credit records allows us to identify the crime, respond quickly to stop additional damage and to remove fraudulent activity from the victim's name. If one of your policyholders or insureds becomes a victim of ID theft...

1. Worldwide Assistance will assign an Identity Theft Assistance Specialist, with "real time" access to the victim's credit records, to manage the entire recovery process and ensure that every aspect of recovery has been addressed.
2. The assigned specialist will handle almost all of the necessary paperwork, phone calls and communications necessary for a complete recovery and a fresh start, relieving the victim of countless hours of effort and frustration.
3. We'll also provide educational materials and resources such as access to credit monitoring to help your customers avoid becoming a victim or avoid becoming a victim again.

GIVE CONSUMERS ANOTHER GREAT REASON TO CHOOSE YOU

Protection against ID theft is a powerful benefit. Providing ID Theft Resolution Services to your policyholders and insureds is not only a valuable and desirable benefit that can give you a competitive edge, it will also:

- Enhance your customer service image
- Increase your reputation for providing protection to consumers
- Increase the acquisition and retention of policyholders
